

Torah Together!

Beginning Wednesday, January 13, at 8:15-9:00 am, PTO will sponsor a new interactive opportunity for parents. Together with Director of Jewish Learning Nancy Pryzant Picus, explore the weekly Torah portion from a parent's perspective. You will leave each class with at least one Torah topic to discuss with your children at bedtime, on Shabbat, or in those special intimate moments you share with them. This class will meet weekly, so even if you can't make all of them, you can make some of them! Early childhood parents, if you need to enroll your child in Early Birds in order to attend the class, please contact Dana Massett at dmassett@shlenker.org.
